ROOSEVELT WILL OCCUPY THE IMPERIAL SUIT OF HAMBURG

New York, March 6.—When ex-President Roosevelt leaves New York on March 23rd, on the steamer Hamburg, he will have the distinction of occupying the imperial suit which was used by the German emperor when he went to the Mediterranean during the winter of 1905-6. The Hamburg is due to arrive at Naples on April 4, when the first leg of Mr. Roosevelt's journey will be finished.

The imperial suit is situated on the upper promenade deck, on the starboard side of the liner, and includes a parlor, two bedrooms and two bathrooms. The rooms are very quietly furnished.

Although on shipboard, the ex-president will not lack means of taking vigorous exercise, for the Hamburg has a well equipped gymnasium with an electric "horse" and a rough riding "camel." Any degree of jolt- ing may be obtained by the manipulation of the devices and Mr. Roosevelt, if he wishes, may repeat his famous ninety-mile ride while about a thousand miles out at sea.

ALL TALK OF WAR WITH JAPAN IS "BUNCOMBE"

REAR ADMIRAL ROBLEY D. EVANS MAKES THIS DECLARATION.

He Says the Japanese Have Their Hands Full Enough in Taking Care of Russia.

Colorado Springs, Colo., March 6.—As far as any war between the United States and Japan is concerned, all such talk is "buncombe," declared Rear Admiral Robley D. Evans, who arrived here this afternoon, in an interview.

"The Japanese have their hands full in taking care of the Russian situation. It is rebuilding its navy, getting its army into shape and constructing a double-track railroad across Siberia. Russia will not be satisfied until it has another try in the field with Japan."

Admiral Evans scouted the idea that the school controversy in California will lead to war with Japan.

"You might as well talk about an attack on a Chinese laundry causing war with that nation," said he. "Why should Japan seek war with the United States? Japan certainly has no right to interfere in that state's regulation of its schools."

"Of course, the terms of our treaty with Japan should be observed. Roosevelt handled that feature excellently. I don't believe the possibility of war has been given serious consideration by either country."

The entire agitation, he said, was by the jingoes of both countries.
